Snacks

Dessert bars, original bars and small-format snacks.

Illustrative ingredient study

Dessert bars

Boost apricot dessert bar

A layered dessert bar combining a date-and-almond base with an apricot and marzipan top.

Energy cacao dessert bar

A two-layer dessert bar pairing a marzipan and almond base with cacao.

Focus coffee dessert bar

A layered dessert bar with a marzipan and almond base and a coffee-flavoured top.

Vitality cranberry dessert bar

A two-layer dessert bar with a marzipan and almond base and a cranberry top.

Original snack bars

Almond marzipan bar

A wrapped bar pairing creamy marzipan with a crunchy texture.

Apple Pie snack bar

A wrapped snack bar with an apple-and-cinnamon flavour.

Calm seed bar

A seed-based snack bar described with a naturally sweet, nutty flavour and soft, chewy texture.

Original snack bars

Dark chocolate flavour protein bar

A wrapped bar with dark chocolate flavour, almonds and sweetness from dates.

Ķelmēni rye bread bar

A wrapped snack bar inspired by Ķelmēni rye bread.

Nut Crave cashew bar

A cashew-led snack bar described with roasted nuts, nut butter and fruit sweetness.

Small-format snacks

Cranberry dessert snacks

Small dessert snacks combining a marzipan and almond base with a cranberry layer.

Energy cacao dessert snacks

Small layered dessert snacks combining marzipan, almonds and cacao.

Focus coffee dessert snacks

A two-layer coffee dessert snack with a marzipan and almond base.

Mini Kelmēni rye bread snacks

A smaller snack version of the Kelmēni collaboration, inspired by rye bread.

Mini marzipan snacks

A mini snack with marzipan, nuts and dates.

Meals & breakfast

Bloody Mary tomato quick meal

A savoury meal with tomato flavour and green buckwheat.

Cheesy Delight quick meal

A savoury quick meal with cheese flavour and green buckwheat.

Cream and onion quick meal

A savoury meal with cream-and-onion flavour and green buckwheat.

Power chocolate muesli

A muesli product with chocolate and plant protein.

Smoothie meals

Energy cacao smoothie meal

A cacao-flavoured meal mix for preparing as a smoothie.

Nutri plum smoothie meal

A plum-flavoured mix for preparing as a smoothie.

Spirulina smoothie meal

A spirulina-containing meal mix for preparing as a smoothie.

Ingredients

Powders, seeds, fruit and other kitchen ingredients.

Illustrative ingredient study

Ingredient powders

Chocolate powder

A chocolate powder for hot drinks, smoothies, desserts and baking.

Date fruit powder

A date fruit powder with a sweet, caramel-like flavour.

Golden flax seed protein powder

A golden flax seed protein powder for adding to smoothies, yoghurt and baking.

Inulin fibre powder

Inulin powder with a gentle sweetness, suggested for stirring into yoghurt.

Ingredient powders

Pea protein powder

An unflavoured pea protein isolate for adding to smoothies, soups, baking and everyday meals.

Pumpkin seed protein powder

A pumpkin seed powder for smoothies and baking.

Sunflower protein powder

A sunflower protein product for smoothies, bowls and snacks.

Unflavoured egg white protein powder

An unflavoured egg white powder for mixing into drinks or adding to food.

Kitchen ingredients

Corn starch

A corn starch ingredient for thickening sauces, gravy and soup, as well as baking and coatings.

Flax seeds - baking selection

Whole flax seeds for bread, muffins, tea, yoghurt and smoothie bowls.

Flax seeds - kitchen selection

Whole flax seeds for use in tea, salads, bread dough and smoothies.

Freeze-dried red currants

Freeze-dried red currants with a tart flavour.

Fructose sweetener

A fructose sweetener for baking, drinks and other kitchen uses.

Savoury yeast flakes

Yeast flakes with a savoury cheese-like flavour, for sprinkling over meals.

Fruit teas

Fruit and peppermint.

Illustrative ingredient study

Fruit & peppermint

Illustrative ingredient studies

Leo 3-in-1 bottle

A bottle with a separate storage container attached to its cap.

Your brief. The next chapter.

Manufacturing, private label, packing and repacking: discussion areas to define around a real project brief.

Illustrative customer-brand concept

Start with what you need.

These areas frame a conversation. Scope, feasibility, formats and commercial terms must be confirmed for each project.

Manufacturing

Share the product idea, intended use and reference samples. Discuss what a suitable development and production route could involve.

Private label

Bring the brand, market and packaging brief. Confirm whether the intended product and presentation can be supported.

Packing

Describe the product to be packed and the desired presentation. Materials, formats and responsibilities need a defined brief.

Repacking

Explain the existing product and the intended new format. Handling requirements and suitability need review before any commitment.

Tell us about your project

Your product or idea, target market and the question you would like to resolve.
